Computer Science Graduate

✉ 3575205331a@gmail.com 📞 +36707871233 📍 Debrecen Hajdú-Bihar, 4028 debrecen

Profile

I am a recent graduate in Computer Science with strong skills in software development and database management. I am passionate about solving complex technical problems and continuously improving my programming abilities. Currently seeking opportunities in software development where I can apply my expertise in Java, Python, and web technologies. I thrive in collaborative environments and enjoy learning new technologies to tackle real-world challenges.
